In the Land of the Wadawurrung People

Dear Parents and Families,

Our **School Athletics** day last Monday was a great success. Thanks to Mr Carroll for his organisation of a very smooth running and enjoyable day. Many thanks also to all our parent helpers who each year ensure the success of the day for the children by volunteering time and energy.

Thank you to all involved in our **Getting to know your child as a Person and Learner Meetings** over the past 2 weeks. Feedback from all involved was very positive. These meetings were a great opportunity to spend 5 minutes of dedicated 1:1 time to meet and for you to share your child's strengths, passions, your concerns, and aspirations and anything else you think will help your child to be successful! We look forward to our **Student Led Conferences** at the beginning of Term 2.

Last week, **Ash Wednesday**, marked the beginning of Lent. We attended Mass at St. Alipius where we were all marked with the sign of the cross, in ashes, on our foreheads. The ashes symbolize that we are followers of Christ and the Lenten season is a time for reflection and consideration for how we live out our Christianity.

Lent is also a special time when you as parents can share the concepts of giving and forgiving with your children. Consider as a family how you might help others in need. Lent is a time for us to reflect within the warmth of our families about how we live our lives and how we concern ourselves for others.

A Reflection for Lent

One day, two friends were talking. They both wanted to change the world. "Everyone will know who I am if I become the richest person in the world." said one of them excitedly. "I would have power! I could do anything I wanted. I could buy anything I wanted. Don't you think that would be great?"

The other friend didn't answer. It was not how the world was going to be changed. After thinking about it, the quiet friend finally gave an answer: "The only way to really change the world is to change our hearts. Change begins in the heart."

School Open Morning / School Alive Tours – Thursday 12th March

Our next **Open Morning and School Alive Tour** of St. Francis Xavier will take place on Thursday 12th March from 9.30am – for families enrolling children in Prep for 2021.

This day will allow prospective families to meet with the School Leadership Team and Foundation Teachers and to familiarise themselves with our school programs and facilities.

Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!

Summer Lunch Menu Starts Friday 6th March

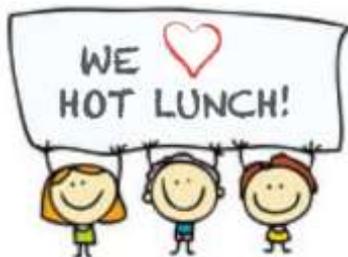

The P&F are excited to bring you our new Friday Lunch Menu for Terms 1 and 4 and it's coming this Friday! Place your order now via Flexischools.

All orders must be placed by 10am Thursdays mornings.

Friday Lunch Helpers

Friday lunches will be available this year during Terms 2, 3 & 4. The children love their hot lunches during the cooler terms, and this year we will also be offering wraps & scrolls during term 4, but to enable this to happen we need helpers!

If you have ½ hour to spare on a Friday morning between 11:00 – 11:30am, and would like to help out, this is a great way to get involved in the school community and meet other Mums.

The more volunteers we get means your time may only be needed once per term. Without your involvement we unfortunately cannot proceed.

If you interested and can help, or would like to know more, please contact Karen Nunn on 0438556686 or karenbrit@bigpond.com

Remember...the ones that benefit most from your involvement are **YOUR** children!

Kind Regards,
P & F Committee

SFX 2020 Parent Forum - Tuesday 3rd March 2020

As a result of our 2016 School Review, St. Francis Xavier staff have made a commitment to enhance relationships and partnerships with the St. Francis Xavier Community.

We have listed the following goals as strategic actions over the next four years:

1. Provide opportunities for parent voice in the school in order to build a sense of dual-partnership
2. Seek feedback from parents regarding school programs and practices
3. Encourage parent access and involvement in classroom programs

over

To continue this process we are going to hold a number of Parent Forums where you can offer your feedback and questions. The Parent Forum will be a chance for you to meet in a group with the Principal to discuss your ideas and questions.

The main aim of the Parent Forum is:

- To support and promote children's learning
- To help the school find out what parents and carers think about important issues
- To involve parents and carers actively in school decisions
- To make plans that support the ways the school wants to develop and improve outcomes for our children

We invite you to attend the first 2020 Parent Forum opportunity :

Parent Forum Meeting 1

Time: 9.30am – 10.30 am

Date: Tuesday 3rd March 2020

Where: St. Francis Xavier Primary School

We also invite all families to provide feedback through an online **Google Form**

Moving Beyond asking “What did you do at School?”

Ever found yourself asking your child the same bland question about school?

- “So, how was your day?”
- “What did you do at school today? What did you learn?”

If these are your default questions the chances are that you'll get a one or two word reply along the lines, “Fine!” “Good!” “Okay” “Nothing much.”

These answers don't really tell you a lot. On the other hand, these types of questions don't ask a great deal.

So how can you move beyond the mundane when you talk with kids about their school days?

It helps to take conversations and your questions in different directions to get a multi-faceted window into your child's school life but also an indication of your child's interests, social skills and welfare.

Here are some examples of question starters that may prompt different responses from kids about their time at school:

1. Tell me what made you laugh today?
2. Who did you play with at recess today?
3. Did you do anything that was brave?
4. If I spoke to your teacher, what would she tell me about you?
5. What did your teacher talk about today?
6. Is there anyone in your class who needs to be in time out?
7. Where's the best place to hang out/play at school?
8. Tell me one good thing that happened to you today?
9. Who were you nice/kind/friendly to today?
10. Did anyone push your buttons today?
11. What did you do that you were proud of/happy with today?
12. What's something you learned with a friend today?
13. What's your teacher's most important rule?
14. If today was a musical instrument what would it be? Why?
15. If you were a teacher tomorrow, what would you teach the class?

Next time you ask a clichéd and dull question about your child's day stop yourself before you utter the words. Instead think outside the square and ask questions that may stimulate a response beyond "Fine" or "Nothing." And remember they may not feel like talking, which is fine too. Like adults, kids need to be in the right mood and the right environment if they are going to share a meaningful conversation about their day.

St. Francis Xavier School Finances - Explained

Understanding the complexities of the funding of a Catholic school is often confusing. In particular, the relationship between Government Grants, school fees and income from fundraising is better understood when explained more fully.

(Please also find attached an explanation sheet).

Basically, a Catholic school's income is derived from three sources:

1. Government Grants (both Commonwealth & State):

These cover such areas as salaries, superannuation, Work Cover, interest on capital debts and Catholic Education Office levies.

2. Local Contribution:

This is made up of school fees, parish contributions, interest and donations, i.e., Parent Club fundraising. It is an expectation of Governments that, in order to qualify for Government funds, school communities must contribute financially to their parish school, and thus ensure that a satisfactory standard is maintained, both in the education of the pupils and also in the administration and maintenance of the school.

3. Classroom Income:

This is made up of: (1) Government Grants (both Commonwealth & State). These grants are used to provide materials used by the children in the classroom.

(2) Student Fee. These are charged at the beginning of each year.

School Fees

The School is advised by the Catholic Education Office regarding school fee structure and the School Board approves any changes to these fees.

Student Fee

This fee is charged per pupil.

Along with the Government Grants, it meets the costs of running the classrooms for the year. Funds are used for:

- Student Requisites/Stationery & Materials
- Religious Education Resources
- Numeracy
- Literacy
- Numeracy Resources
- LOTE
- Intervention Programs
- Integrated Curriculum
- Environmental Education/Kitchen Garden
- Student Wellbeing
- Library/Resource Centre Resources
- Art/Craft
- Music
- Physical Education
- Membership of Sovereign Hill

Tuition Fee

This fee is charged per family.

The Tuition fee is approved each year by the School Board. The fee is used to assist the school in meeting its running costs throughout the year.

Capital Fee

This is charged per family.

The fee is used for capital projects, such as the new building program, as well as funding specific purchasing priorities such as computers, playground equipment and library resources.

Building Fund Fee

This fee is charged per family. The fee is used for the repayment of loans on major capital projects.

ICT Fee

This is charged per student

The fee is used to support the provision of ICT equipment for students from Foundation to Year 6.

School Fee Payments

Parents who experience difficulty in repaying their school fees are expected to make an appointment with the principal when the matter will be discussed in total confidence. A number of payment options exist for families, with direct debit and credit card payments proving very popular.

Family Fee Assistance Scheme

In 2011 the Ballarat Diocese introduced the Family Fee Assistance Scheme. The scheme offers a family fee discount to those families who hold a health care card. Please contact the office for an application form.

Camps Sports Excursion Fund

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like, school camps or trips, swimming and school-organised sport programs, outdoor education programs, excursions and incursions.

This \$148 million initiative helps ensure all Victorian students can take part in school trips and sporting activities. The fund commenced in 2015 and will initially run for four years. To be eligible the family must hold a current Health Care Card.

St. Francis Xavier Primary School Working Bees

In 2015 our School Board agreed that St. Francis Xavier Working Bees will be held on the last Sunday of each term. Last year our Working Bees were very well attended and extremely successful! In order to spread the workload we have decided to allocate each family one Working Bee per year.

- Working Bee's will begin at 3:00pm and finish at 5:00pm.

We encourage all families to make the commitment to attend their allotted Working Bee. If you don't attend your allotted Working Bee we will include your name on the next Working Bee. If you can't attend your allotted Working Bee please arrange to swap with another family and notify the office.

Wellbeing Night - Personal Development and Cyber Safety

This Monday night the Year 5/6 team are presenting to all parents/carers of children in these years a Wellbeing night which will incorporate Personal Development and Cyber Safety. Leading Senior Constable Des Hudson OAM Ballarat Police Youth Resource Officer will once again highlight to parents/carers the need to be up to date and in touch with what their children are doing with technology and social media. The attached article from Parenting Ideas is a great read for all members of our community.

Cyber bullying of children and teenagers is one of the greatest fears facing parents today. The thought of their child being subjected to heinous words, threats to their physical safety, as well as their social and emotional wellbeing, is something no parent/carer wants their child to experience.

Our School we will take part in the **National Day of Action against Bullying and Violence** on Friday 20th March 2020.

Happy Days,
