In the Land of the Wadawurrung People

Dear Parents and Families,

Congratulations to our **Year 6 children** and teachers who led a wonderful **Virtual Assembly** last Friday. Our class awards identified children who had a positive outlook on life and their learning. Awards last week were aligned to our school value of **RESPECT**. Congratulations to ALL our award winners this week!

Catherine McAuley lived in Dublin during the time of the cholera epidemic.

Catherine McAuley, the founder of the Sisters of Mercy, lived in Dublin during the time of the cholera epidemic. Despite the threat of death Catherine and the **Sisters of Mercy** worked with the sick in hospital bringing them comfort.

The Sisters of Mercy have long been at the greatest point of community need. There is comfort in knowing that our Mercy Heritage was forged in times like this. It is that same commitment that drove the Sisters to come to Australia and it is because of them we are here today. I would like to share with you a description of that time.

“She (Catherine) wrote to Archbishop Murray seeking permission to offer the services of the Sisters of Mercy wherever they were needed....

Daniel Murray endorsed the Baggot Street community’s willingness to assist in the epidemic, though there were only 10 of them and they were already running a shelter for dozens of homeless women.” (p116) The Sisters worked tirelessly to support the caring of those suffering at the time. “To those she (Catherine) knew or suspected were Christian, as well as to others who said they were not, she offered hope and confidence in the mercy of a God who looked on them with compassion. The extremity of the situation called for the most thorough consolation she knew how to give: trust in the present and future love of the God in whom she believed” (p118). Although they worked with patients who suffered Cholera, none of the sisters got sick.

New Director of Catholic Education Ballarat

Please find attached correspondence from Bishop Paul related to the appointment of **Mr. Tom Sexton** as the new Director of Catholic Education Ballarat and Chief Executive Officer for DOBCEL.

I also take this opportunity to congratulate and welcome Tom as our new Director of Education and look forward to welcoming him to St. Francis Xavier!

Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!

Ballarat Show Day Holiday moved to Melbourne Cup Day

Ballarat City Council has selected Melbourne Cup Day as its public holiday for 2020.

It follows a decision by the Ballarat Agricultural and Pastoral Society to cancel the 2020 Ballarat Show, with the municipal public holiday usually held on Ballarat Show Day.

This year Show Day would have been 13th November but instead Council has opted to have Melbourne Cup Day on Tuesday 3rd November as its public holiday. Please find below the adjustments.

** denotes changed dates.

Old Calendar

4	Monday 5th October	Staff Professional Development Day
5	**Monday 9th November	Staff Professional Development Day
	**Friday 13th November	Ballarat Show Day - Public Holiday
6	Thursday 17th December	Staff Professional Development Day
	Friday 18th December	Last Day for Staff - Staff Professional Development

3 Way Conversations - (Weeks 7 to 10)

Due to the current COVID19 situation we have modified this year's conferences to offer them online and in the form of **3 Way Conversations**. These 3 Way Conversations will be offered in Weeks 7 to 10.

It is our aim that a **3 Way Conversation** actively involves parents, children and teachers reflecting on student growth as a learner, while acknowledging the most important participants in the learning process – children, teacher and parents/carers. This team looks at the evidence shown in the student's learning and listens as the child talks about their learning growth.

In short, **3 Way Conversations** provide a forum to develop a student agency for children, parents and teachers to acknowledge student progress and achievement. They are a valuable avenue

for involving parents and children in the learning process and helping parents understand the teaching, learning, assessment and reporting process. It's an opportunity to celebrate their child's achievements. The **3 Way Conversation** benefits the children, parents and teachers.

Bookings for these meetings are open from 9:00am on Tuesday 28th July 2020.

3 Way Conversations are a formal opportunity for parent/teacher communication but certainly these meetings are not the only times when there can be effective communication about your child's learning. Teachers are always happy to make themselves available to discuss your child's progress.

School Winter Uniform Expectations

With the return to school for Term 3, I'd like to remind everyone of our uniform expectations. Students are expected to be in full school uniform at all times, this includes black shoes except when it is their class' PE day. The uniform expectations are available on the school website if in doubt. With the winter months usually requiring students to wear a jacket these school coats are to be worn over the school jumper not instead of. Teachers have been requested to issue 'uniform notes' to parents as a reminder.

Update of Ramp to improve Disability Access

St. Francis Xavier has a small building project to update the ramp outside the art room to improve disability access and seeks quotes from St. Francis Xavier Families. If you are a builder interested in undertaking the project could you please contact Gabrielle McKinnis (gmckinnis@sfxballarat.catholic.edu.au), Business Manager to request information supplied by our architect and engineer.

We request that interested parties submit a quote by Friday 14th August 2020 to undertake the project. We look forward to hearing from you!

St. Francis Xavier Primary School - Covid-19 Update

As the COVID-19 crisis in Victoria continues, St. Francis Xavier Primary School understands there is heightened anxiety in our community.

This letter is to provide an update on actions that the school is taking in response to the latest COVID-19 restrictions based on the advice from the Department of Health and Human Services (DHHS) and the Catholic Education Office Ballarat (CEOB). Whilst many restrictions remain unchanged, there is a need to provide further information, including procedures to be followed when a child or staff member has been in close contact with a symptomatic person or a person who has tested positive for COVID-19.

Students should not attend school if they are symptomatic (ill). This may include a cough, sore throat, runny nose, shortness of breath, fever, or loss of sense of taste or smell. Those children should immediately get tested for COVID-19 and not return to school until a negative result is known. Follow the links below for information from the DHHS website regarding testing and testing locations:

<https://www.dhhs.vic.gov.au/getting-tested-coronavirus-covid-19>

Term 4 Week 9

Tuesday 1st December

Orientation Day
Year 6 Transition Day
P & F Meeting

There have been a number of enquiries from families seeking advice on whether their child should be tested, based on varying degrees of contact with another person who has been/is being tested.

Thursday 3rd December

Feast of St. Francis Xavier

The current DHHS recommendation for Ballarat is that only people with symptoms, or people who have had direct/close contact with a person known to have COVID-19 service should be tested.

Friday 4th December

EE – World Soil Day
Year 6 Graduation Practice

While a test result is pending children should remain at home in isolation until they are confirmed negative. **'Direct/close contact'** means having face-to-face contact for more than 15 minutes with someone who has a confirmed case of coronavirus (COVID-19) – or alternatively sharing a closed space with them for more than two hours. The following link to the DHHS website contains more information regarding contacts.

Year 6 Graduation Mass

In the case of a St. Francis Xavier student or staff member testing positive after having attended school, closure of the School will be enacted. A clear process will be communicated to parents and carers, including options for your child to travel home, or remain at school under strict supervision until the end of the school day. The School will take advice from the DHHS and the CEOB and begin contact tracing immediately.

As well, the School will undergo a complete decontamination clean. Classes will be taught remotely via the same platforms on which the first period of remote learning was delivered.

All other Calendar Dates for 2020 have been updated and can be accessed live on the Skoolbag App or by visiting the School Website.

Children and staff travelling to school from a restricted zone within metropolitan Melbourne, are required to have their temperature checked daily. This is a very quick process using a non-contact infrared thermometer and will be conducted indoors.

The Victorian State Government has mandated the wearing of masks for all of Melbourne and Mitchell Shire but this is not mandated for Ballarat. **However, the St. Francis Xavier supports the wearing of a mask by students and staff should they wish to,** particularly given the recent trends of increased spread of the virus across the state. Whilst not compulsory, this action will help keep our teachers, children and families safe from community transmission.

Please have a conversation with your child about this and consider providing them with a face mask for use in class and on public transport where social distancing cannot be practised.

As you are aware, the school has had to cancel or postpone many assemblies, events and gatherings. We are working with our staff and students to provide some opportunities for alternative activities within our own school community. These arrangements will continue to be communicated through the school newsletter.

Thank you for your continued support and understanding.

How was school today?

It is not uncommon for parents to ask "How was school today?", and get little response from their child. If that's the case at your house try some of the following questions at the end of the school day.

Different ways to ask your child, “How was School today?”

- What was the best thing that happened at school today?
- If you could choose who would you like to sit next to in class?
- Where is the coolest place at the school?
- Tell me something that made you laugh today.
- If I called your teacher tonight what would she tell me about you?
- How did you help somebody today? Did anyone help you?
- Tell me one thing that you learned today and I’ll tell you something I learnt at work.
- Do you have any wonderings about today?
- Who would you give student of the day to today? Why?
- Tell me something good that happened today.
- What is the most interesting thing your teacher said today?
- What do you think you should do/learn more of at school?
- What do you think you should do/learn less of at school?
- Who is the funniest person in your class? Why is he/she so funny?
- If you got to be the teacher tomorrow what would you do?

We hope that these little tips help begin a conversation that is both positive and informative!

Have a great week!

Yours sincerely,

Paul Bissinella
Principal

Catherine McAuley

Thus we go on...flourishing in the very midst of the Cross, more than a common share of which has latterly fallen to my lot, thanks be to God. I humbly trust it is the cross of Christ. I endeavor to make it in some way like his by silence.

Got A Specific Parenting Problem?

Whether you're dealing with the big, small or one-off problems of raising kids and teenagers —Triple P can help!

- Temper tantrums?
- A child who won't go to bed and stay there?
- Kids who don't listen or a defiant child?
- Disrespectful or rude behaviour?
- A teenager who struggles to make friends?

The Triple P- Positive Parenting Program online program has been funded by the Victorian Government and is now available free of charge to all Victorian families.

The program provides access to expert parenting advice during these challenging times. Parents have access to modules and tipsheets regarding difficult parenting situations and day-to-day challenges.

Triple P is a parenting program, but it doesn't tell you how to be a parent. It's more like a toolbox of ideas -you choose the strategies you need and how to use them to make your family life even more enjoyable.
