In the Land of the Wadawurrung People

Dear Parents and Families,

Welcome back one and all to our new school term. Hopefully everyone had a restful break and enjoyed getting out of the routines that school life brings upon us. The start of second term is always an exciting one in my eyes as all the preliminary work in getting to know children, completing testing etc. has happened and now is the opportunity to really make inroads into our relationships and particularly our learning.

Please note:

- Building construction work on Stage 2 of our Masterplan began over the school holidays
- Restoration of the Villa Building nears completion and is looking amazing!

Easter Message

Alleluia! Alleluia! He is risen! Joan Chittister writes:

Easter is here. In the monastery, we fill the chapel with flowers and dance the alleluia down the aisle over and over again and end every community prayer period with alleluia so that it begins to dance in our hearts as well. We sing to Monday mornings, alleluia; to washing dishes, alleluia; to friends and work, alleluia; to dawn and dusk, alleluia; to old things and new, alleluia. We especially sing alleluia to you.

As this season of Easter continues and as Term 2 begins, may you too sing the alleluia in your hearts and may you find many reasons to “dance the alleluia” in our community!

School Uniform:

The reason for our school uniform is to ensure that our children are identified as students who belong to the community of St. Francis Xavier. When some students continually ignore aspects of the uniform policy, this causes resentment and disharmony for other students and families. I ask parents to be encouraging and supportive in your role so that the school uniform is respected and adhered to and that there is a strong level of equality and fairness in the management of the uniform protocol.

- Full winter uniform may be worn from Day 1 of Term 2.
- For the first 2 weeks of Term 2 we will be in a transition phase for Uniform. Children are permitted to be in either Summer or Winter Uniform.
- From **Monday 3rd May** (Week 3) all children are expected to be in Winter Uniform.

visiting the School Website.

These meetings will last for 20 minutes and we encourage all families to attend. Children must attend these meetings!

We have several goals for holding conferences using this format:

- **For parents** – we hope that you will get to see rather than simply being told about your child's progress.
- **For students** – we hope students will take more responsibility for their learning.
- **For teachers** – we want teachers to have more meaningful and impactful conferences with you.
- **For all** – we want to maximize our time together, create ways to partner with one another to support student success.

In summary the purpose of these meetings was to celebrate, affirm the children's learning and promote Student Voice. In response to the recommendations of our 2016 School Review we have developed a Strategic Educational Plan with the support and approval of the School Board and targeted promoting Student Voice across the school. Highly Effective Catholic Primary Schools promote Student Voice. Student – Led Conferences are identified as a significant way of developing Student Voice and all the latest research and evidence around Assessment as Learning supports this.

THIS WEEK'S GOSPEL - Sunday 18th April 2021

THIRD SUNDAY OF EASTER YEAR B

Gospel

Lk 24:35-48

A reading from the holy Gospel according to Luke

It was written that the Christ would suffer and on the third day rise from the dead.

The disciples told their story of what had happened on the road and how they had recognised Jesus at the breaking of bread.

They were still talking about all this when Jesus himself stood among them and said to them, 'Peace be with you!' In a state of alarm and fright, they thought they were seeing a ghost. But he said, 'Why are you so agitated, and why are these doubts rising in your hearts? Look at my hands and feet; yes, it is I indeed. Touch me and see for yourselves; a ghost has no flesh and bones as you can see I have.' And as he said this he showed them his hands and feet. Their joy was so great that they could not believe it, and they stood dumbfounded; so he said to them, 'Have you anything here to eat?' And they offered him a piece of grilled fish, which he took and ate before their eyes.

Then he told them, 'This is what I meant when I said, while I was still with you, that everything written about me in the Law of Moses, in the Prophets and in the Psalms, has to be fulfilled.' He then opened their minds to understand the scriptures, and he said to them, 'So you see how it is written that the Christ would suffer and on the third day rise from the dead, and that, in his name, repentance for the forgiveness of sins would be preached to all the nations, beginning from Jerusalem. You are witnesses to this.'

The Gospel of the Lord

REFLECTION by Greg Sunter

Gospel Reflection

This week we again see something of the quirky nature of the selection of readings for the Sunday lectionary. This passage from the gospel of Luke immediately follows the magnificent story of the road to Emmaus and the risen Jesus' appearance to two disciples. Rather than hearing that story we have this account that follows; an account that is very similar to the passage of last week in which Jesus appeared to the gathered disciples and dispelled the doubts of Thomas. This week's reading is almost identical except that it does not place the blame of doubt on just one single disciple. Why select this reading as opposed to the Emmaus story? Perhaps the decision focused on the fact that this passage shows the risen Jesus appearing to all of the disciples and not just two.

However, what this account gives us that last week's account from the gospel of John did not, is a powerful message about understanding scripture. In the final verses of the passage, Jesus reveals to the disciples that his presence with them is what he'd been talking about when he'd spoken about the fulfilment of the scriptures. And then, 'He opened their minds to

Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!

understand the scriptures.’ This is an important gospel indication that the scriptures are to be read for understanding and for meaning. It is an imperative that we delve into the scriptures and look for meaning rather than a surface, literal interpretation that is prominent in much of society today. When we only read the scriptures ‘literally’ i.e. accepting the exact wording as literally true, we deny the depth and breadth of the scriptural messages that are conveyed through image, metaphor, irony and other forms of figurative speech as well as ignoring the rich contextual information that is often hidden within and behind the text. Jesus’ enlightenment of the disciples makes plain the importance of ‘understanding’ scripture not just blindly accepting it.

Scriptural context – Post-resurrection accounts

All four gospels include post-resurrection appearances of the risen Jesus. The gospel of Mark – historically, the first written – gives the briefest account of the resurrection discovery and it is only in a later addition to the gospel that a post-resurrection account appears. However, by the time the gospel of John was written, some 20-30 years later, the theological importance of the resurrection had gained more significance as it became more obvious that Jesus’ return to the world was not going to happen within the foreseeable future. The gospel of John devotes two whole chapters to the post-resurrection appearances of Jesus.

Have you thought? Is ‘Literal’ wrong?

Is there really something intrinsically wrong about a literal interpretation of scripture? Not at all! It is indeed an essential tool of any scriptural interpretation. It is of course important that we first and foremost understand the text as it is written – we have to have a literal understanding of the words that are used and what they mean. The problem arises when this is as far as we go. If we stop at this stage then we are shutting ourselves off from the richness of the scriptures. If we fail to dig below the surface then we are denying ourselves the opportunity of scrutinising our lives in the light of the scripture.

Gospel Focus – Peace be with you

When Jesus appears in the midst of the disciples, his first words to them are, ‘Peace be with you!’ His appearance among them obviously agitated the disciples who were already hiding, in fear of their lives and devastated by the loss of their leader days earlier. Jesus’ calming and reassuring words, ‘Peace be with you!’ recognise the reality of what state the disciples are in. The words demonstrate that Jesus is meeting the disciples ‘where they are’ – he recognises their distress and fear and responds with words that accept what they’re feeling but reassure them of his love and care. They are words that Jesus speaks to us too!

A beginning point for discussion of this week's Gospel with children:

- Q. Why were the disciples so reluctant to believe that Jesus had risen?
- Q. How does the gospel writer emphasise the ‘physical’ nature of Jesus’ resurrection.
- Q. Why is it important to ‘understand’ the scriptures, not just literally?
- Q. In what ways is a literal interpretation of scripture attractive for some people? Q. What ‘moment’ of the story can you identify with and apply to your own life?

Book Fair

The SFX Book Fair will take place next week!

The Book Fair provides children with the opportunity to explore literature and select books of interest. The Book Fair is a great way to celebrate reading within our community with hundreds of fun, engaging and affordable books for the children to discover. This week classes will be given the opportunity to view the selected books and write a wish list.

Some of the main benefits of students taking part in NAPLAN Online include:

- **Better assessment – and more precise results.** NAPLAN Online uses a tailored test or adaptive design, where the test automatically adapts to individual student performance and asks questions that match the student achievement level, allowing the student to demonstrate their knowledge. This provides teachers and schools with more targeted and detailed information on students' performance on the tests. Tailored testing also provides an opportunity to broaden the scope of the assessments.
- **Faster turnaround of results.** Delivery of assessments online significantly reduces the time it takes to provide feedback to schools, students and parents, so teachers can respond more quickly to learning needs.

As technology develops, ACARA aims to further refine the delivery of the tests to best use the available technology to provide increasingly sophisticated assessments and valuable feedback to teachers, parents and education authorities.

Have a fantastic week!

Term 2 topic in our SEL (Social and Emotional Learning) sessions will be: Personal Strengths

Children and young people need a vocabulary to help them recognise and understand strengths and positive qualities in themselves and others. Research states the importance of identifying and using individual strengths which in turn promotes student wellbeing, positive behaviour and academic achievement.

Children will be given many opportunities to build vocabulary when discussing personal, social and ethical challenges.
