Sad news of the passing of John Conroy

It is with sadness that I advise you that on Tuesday 19th October, John Conroy passed away peacefully surrounded by his family. John is the father of our friend and much respected colleague Rebecca. Our prayers are with Bec, her mum Deb, her sisters Melissa and Emma and brother Matt and John's 5 grandchildren. John was also the loved and respected father-in-law of Dave and Chris.

School Transfer Agreement Signing Ceremony

Last Friday we held the School Transfer Agreement Signing Ceremony for St Francis Xavier Primary School. Our school will join DOBCEL (Diocese of Ballarat Catholic Education Limited) for the start of the new school year. We are very excited that our school board and community has chosen to join DOBCEL and we look forward to strengthening the already strong bonds that exist between us. We acknowledge and thank the Sisters of Mercy, Ballarat East for their leadership and good governance of St. Francis Xavier (Villa Maria) for over 100 years. Year 5 Camp

Our **Year 5** children has been organised for Week 6, on Monday 8th November and will be held at Kangarooobie, Princetown. Our school excursion program offers our children a great opportunity to experience settings and situations that they may not normally experience. Participating in camps allows the children to build on their self-esteem and interact with other children and adults in unfamiliar surrounds. Teachers gain great insights into their children in these situations. We thank Ms. Harty, Mr. Marshall and Mrs. Hayward for their capable organisation of this event and we thank in advance those additional staff members and parents who are attending!

Class Groupings 2022

Over the next few weeks our teachers are putting the final touches to class groupings for 2022. In doing this, academic, social and emotional considerations are taken into account to inform decisions.

We are fortunate at St. Francis Xavier to have our teachers plan learning activities that often allow our children to mix across the year group where they are working alongside all the children within their age and class grouping.

School is a place where children learn how to relate to other children. It is important that children learn to mix with lots of children rather than spending time with just a few favourite friends or children of like ability. They learn about themselves in relationships and identify qualities within others that they find positive and assuring for themselves. It is important at this young age that they experience many varied friendships and children of different learning abilities to their own.

We hope to inform you by the end of November of your child's class and teacher for 2022.

To assist with managing enrolments for 2022 I ask that any families who already know they will not be returning to St. Francis Xavier to please contact the school office. This allows us to contact families waiting for places as well as assisting with class lists and planning.

Foundation Transition Days

This Friday 22nd October we will hold our first Foundation Transition Day for our 2022 Foundation Children. All our children look forward to these days with great expectation. It is a sign of the life and movement that make schools reinvent themselves all the time. Many thanks to the Foundation Teachers for organising this wonderful experience for our 2022 Foundation children!

Orientation Day

On Tuesday 30th November we will hold Orientation Day when our new Foundation children come to our school and our Year 6's move on to their new school. We will also be promoting all the other children into their new classrooms with their new class teachers. This day provides a great opportunity for your child to familiarise themselves with their new classmates and class teacher.

School Procedures For The Bushfire Season

New fire danger ratings and warnings have been introduced in Victoria to provide clear direction on the safest options for preserving life.

Schools – and children's services – identified as being at highest bushfire risk will be closed on days declared by fire authorities to be Code Red. **Our school has been identified as a school at highest bushfire risk.**

Where possible, we will provide parents with up to three days' notice of a planned closure. We will contact you directly by letter, email or SMS with advice on planned closures and will confirm the decision to close by 12 noon the day before the planned closure.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child.

No staff will remain on site when the school is closed by the threat of fire.

We will also cancel any offsite activities and out-of-school care during the fire season if the activities are at risk. There may also be changes to school bus routes. Depending on routes, this may also occur on days when the school is not closed.

On high fire risk days families are encouraged to enact their Bushfire Survival Plan – on such days, children should never be left at home unattended or in the care of older children.

For those of us living in a bushfire prone area, the safest option when a Code Red day is declared is to leave the night before, or early in the morning of the Code Red day.

As part of preparing our school for the threat of fire, we have revisited the Catholic Education Commission of Victoria Ltd's self-assessment of our emergency preparedness. We have also updated our emergency management plan; reprioritised any maintenance works that may assist in preparing for the threat of fire and cleared our school grounds and gutters. I have also completed CFA training for school principals.

What can parents do?

Make sure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://www.sfxballarat.catholic.edu.au/>, and by talking to your child's teacher or any other member of the teaching staff.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan. You can access more information about school closures on the Catholic Education Commission of Victoria Ltd (CECV) website <www.cecv.catholic.edu.au>.

For up-to-date information on this year's fire season, visit the CFA website at <www.cfa.vic.gov.au> or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.

Friday Lunches Announcement

The Parents and Friends Committee are excited to announce that Friday Lunches are once again on offer for Term 4 with a choice of hot items, salad rolls & delicious, sweet treats available.

As always, orders must be placed on Flexischools by Thursday morning at 10:-00am.

**God of the weary, God of the burdened:
As the pandemic continues, it would be stranger if fatigue didn't set it,
not only for those who fight for breath, or are working countless shifts,
but for all those whose minds are occupied with stress and worry, laden with concerns for
the future. Turn our ear to your invitation to come and rest a while.
Give us again what we struggle to hold: the strength to let go of control.
Amen.**

St. Francis Xavier Primary School - Covid-19 Update

We continue to follow the advice of the Chief Health Officer and the Department of Health and Human Services (DHHS) regarding the spread and response to COVID-19. We are also monitoring the advice of the Victorian Government, Catholic Education Commission Victoria (CECV) and the Catholic Education Ballarat (CEB).

Masks for children in Year 3 to 6

The Chief Health Officer Brett Sutton and Paediatrician from the Royal Children's Hospital, Dr Jane Munro, have issued the new requirement for children in Years 3 - 6 to wear masks whilst at school, with a strong recommendation for children in Foundation to Year 2 to wear them as well. This new measure is a safe and appropriate way to get our students back to school and stay in school safely.

- 1. Students in Year 3 to Year 6 to wear face masks when indoors on school premises, unless an exception applies.**
- 2. There are a number of lawful reasons for not wearing a face mask, including for staff and students who are unable to wear a face mask due to the nature of their disability, medical or a mental health condition.**

We know that our children will adapt and are resilient. As this is an aerosol virus, the wearing of masks will help to reduce the spread and continue to keep children and families safe and healthy. Wearing a mask not only supports students to reduce the risk of catching the virus but spreading it as well. Staff will support children to ensure they know how to wear masks correctly.

We encourage families to purchase masks for their children. The school will have spare disposable masks available for those students who are unable to secure one prior to Monday.

Mandatory Vaccination Directions from Chief Health Officer

The Victorian Government has now formalised the COVID-19 Mandatory Vaccine Directions (No. 4). The Directions introduce mandatory vaccination for specific workplace industries to limit the spread of severe acute respiratory syndrome coronavirus (COVID-19) within the population in these settings. The Directions by the Chief Health Officer include "education facilities" and therefore mandates that people who work in these settings be fully vaccinated for COVID-19 by specified dates.

Who must be vaccinated under the Directions?

The mandate for vaccination includes:

1. any person who is employed by an education operator to work in an "education facility" or school (including teachers, early childhood educators and educational support staff);
2. people contracted to work at an "education facility" and who will or may be in close proximity to children, students or staff, whether or not engaged by the education operator, including casual relief teachers, Breakfast Club suppliers, IT personnel, NDIS providers and auditors, but does not include delivery personnel or contractors;

3. staff of any other entity who attend an “education facility” eg. CEB staff, priests, School Board Directors;
4. **volunteers that attend an “education facility” and that work in close proximity to children, students or staff (including parent helpers); and**
5. students on placements at an “education facility”.

What is the mandated deadline for vaccination?

The Directions mandate a first dose by 18th October 2021 and a second dose by 29th November 2021. All groups identified in the Directions in all Victorian education facilities, including Catholic schools, must comply with the COVID-19 Mandatory Vaccine Directions and be fully vaccinated for COVID-19 by the 29th November deadline unless a medical exemption applies. Individuals will be required to show evidence of their vaccination status or valid medical exemption. This will work similarly to the Working with Children Check/Police Check requirements – **staff must be vaccinated to work in any Victorian educational facility, including St. Francis Xavier.**

3. Staged Return for Children

As of Friday 22nd October, ALL children F - 6 will return to full-time onsite learning.

The week commencing Monday 18th October (Term 4 - Week 3)

- Children in Years 3 & 4 will attend classes onsite Tuesday and Wednesday and attend to remote learning each Monday, Thursday.
- Children in Years 5 & 6 will attend classes onsite on Thursday and Friday with remote learning each Monday, Tuesday and Wednesday.

If your child is medically vulnerable and unable to attend school based on medical advice, please inform the school via email – principal@sfxballarat.catholic.edu.au as soon as possible.

- The use of Service Victoria QR codes for electronic record keeping is NOW mandatory for all schools to enable the effective contact tracing of any COVID-19 cases.
- The public health intent of including schools in the QR code check in system for workplaces is to capture those visitors accessing school buildings or indoor facilities, but not those entering the school grounds for reasons such as school pick up.
- **QR code check ins will not be required for staff or students, or parents who come onto school grounds for drop off or pick up, but do not enter buildings.**

THIS WEEK'S GOSPEL - Sunday 24th October 2021

THIRTIETH SUNDAY IN ORDINARY TIME YEAR B

Gospel

Mk 10:46-52

A reading from the holy Gospel according to Mark

Master, grant that I may see.

As Jesus left Jericho with his disciples and a large crowd, Bartimaeus (that is, the son of Timaeus), a blind beggar, was sitting at the side of the road. When he heard that it was Jesus of Nazareth, he began to shout and to say, 'Son of David, Jesus, have pity on me.' And many of them scolded him and told him to keep quiet, but he only shouted all the louder, 'Son of David, have pity on me.' Jesus stopped and said, 'Call him here.' So they called the blind man. 'Courage,' they said 'get up; he is calling you.' So throwing off his cloak, he jumped up and went to Jesus. Then Jesus spoke, 'What do you want me to do for you?' 'Rabbuni,' the blind man said to him 'Master, let me see again.' Jesus said to him, 'Go; your faith has saved you.' And immediately his sight returned and he followed him along the road.

The Gospel of the Lord

REFLECTION by Greg Sunter

This passage from the Gospel of Mark draws to a close a significant section of the gospel. It stretches from 8:22 to this passage, 10:52. Like other examples in the Gospel of Mark, the stories at the beginning and end of the section are related and shed light on what they surround. Like this passage, the event at the beginning of the section is an account of the healing of a blind man. Contained within the two healings of blindness, as we have seen over the last six weeks, is an extended lesson on discipleship. Within this section, Jesus speaks about his upcoming death on three occasions and each time the disciples display their own form of blindness when they fail to understand what Jesus is trying to tell them quite explicitly. In

Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!

this section, we have heard that discipleship involves suffering and hardship; it means placing one's own needs last and the needs of others first; and that discipleship is all about faith.

In this healing of blind Bartimaeus, we see all the hallmarks of what Jesus has been trying to teach the disciples in the preceding episodes. As a blind man, Bartimaeus would be regarded as 'imperfect' – incomplete – and consequently in a permanent state of uncleanness. He would not be allowed to live within the bounds of normal society, nor have contact with people. So it is that Jesus encounters Bartimaeus on the side of the road, outside the city walls as he is leaving Jericho. Learning that it is Jesus passing by, Bartimaeus calls on Jesus to help him and the crowd tries to shut him up and remind him of his status. But Jesus calls Bartimaeus to him and, placing the needs of the other first, asks 'What do you want me to do for you?' When Bartimaeus makes his request, Jesus announces that it is his faith that has saved him and his sight is restored. Bartimaeus, like a good disciple, then follows Jesus on the road.

Scriptural context – Blindness

Blindness is a powerful metaphor that is used repeatedly throughout scripture. It is almost always a metaphor for blindness of heart or blindness of mind rather than a purely physical affliction. There are multiple accounts of healing blindness in the gospel. Saul/Paul is blinded on the road to Damascus and only has his sight restored when he is baptised. The Pharisees are described as being 'blind fools' and there the prophets make numerous references to blind seeing as a sign of the Messiah's arrival. It is a very powerful image of being 'blind' to truth and 'blind' to the teaching of Jesus.

Have you thought? On the side of the road ...

When Jesus encounters Bartimaeus he is sitting by the side of the road – a reject of society sitting off to the side as the world passes him by. There are times in all of our lives when we feel like this: hurt; ashamed; unloved; rejected; cast aside. It is at these moments in our lives that Jesus really wants to 'break through' into our experience. If we allow ourselves to hear his voice calling us to him, then we too can 'throw off our cloak' – our old life – and join him on the road.

Living the Gospel – Bartimaeus, a model?

Bartimaeus is a man who has almost nothing in life. His blindness has made him outcast and he is reduced to begging on the side of the road. When he is called to Jesus he jumps up and casts off what may well be his only real possession – his cloak. Yet what he does have in abundance is faith and hope. When asked what he wants Jesus to do, his answer may seem obvious, but his desire to see goes beyond physical sight. He asks for the sight of one who truly believes and to whom the truth of Jesus is revealed. In this way, he is a model to all who would be disciples.

A beginning point for discussion of this week's Gospel with children:

- Q. Why do the crowd try to keep Bartimaeus quiet at first?
- Q. How does the attitude of the crowd change once Jesus calls for Bartimaeus?
- Q. In what way is physical blindness a symbol or metaphor?
- Q. When have you been 'blind' to a situation or truth?
- Q. How is this event a story about discipleship?

Our learning at St. Francis Xavier

Our learning at St. Francis Xavier is a little like our building site. All our teachers work really hard to build solid foundations of knowledge and skills for every child. It's all teamwork and using the best 'tools' we can. We continually scaffold our learning and experiences and revisit concepts so all children can 'build on' with their knowledge and application of skills. Revisiting, refining/applying our knowledge is all part of our academic building.

Last week we held our **Big Write** sessions where all children were once again asked to write a narrative from a picture stimulus or story starter. This writing piece will provide teachers with a wealth of information and guide our learning throughout the term.

May we enjoy each other's company and laugh together.

Respect is a two-way street!

My Grandfather would always say "Respect is a two-way street".

By this, I think he meant that respect was earned and that you could not demand people respect you. Respect is shown not only in our treatment of others and our actions but through the language we use everyday.

In the attached Parenting Ideas article, Michael Grose focuses upon the language of respectful relationships. He encourages us to teach children a wide vocabulary of terms essential to developing fair treatment of others in all environments and settings

By focusing on using terms such as tolerance, acceptance, safety and choice you are helping lay the basis for children to enjoy respectful relationships both now and in the future.

Happy Days!
