Last Day of Term 4

As you know the Premier, Daniel Andrews announced last Thursday significant changes to CoVid restrictions effective from 11:59pm on Thursday 18<sup>th</sup> November 2021. This announcement came a week earlier than expected and the extent of the changes caught many by surprise - not the least being the Education Department and Catholic Education Commission Victoria.

Currently school principals have been advised to continue to operate under the restrictions in place prior to last Thursday's announcement and until a new School Operations Guide is issued. Once that is circulated to schools we will scrutinise it to see what changes affect our school and at this late stage in the year what events can be safely supported and reinstated.

As always we will be in contact with parents and keep them up to date as soon as changes are confirmed.

As we come towards the end of the year, we are at a stage of calmness before the busyness of what is December and Advent. Over the next couple of weeks, 'things' will build up and our weekends will be filled with catch up time with friends and family members, many of whom we may not have seen for a significant period of time!

The Catholic Church officially begins the season of **Advent** this coming weekend.

**Advent** is the time when we begin to prepare for the celebration of the birth of Christ. All classrooms will be talking about Advent over the coming weeks and many will have an Advent Wreath. If you are planning on having an Advent calendar at home, remember to think about what we are really celebrating as we open up a new window each day.

It is also a lovely idea to try to do something special which can show the true spirit of Christmas - the love of Jesus- to the world e.g. children could set the table without being asked, do a special kind deed for someone who needs it, leave a note for someone telling them how much they are appreciated, etc. Have a wonderful time celebrating this magical season!

### Advent Prayer

*Creator God, we hear the glad sounds around us of people preparing for the coming of Jesus. We thank you, Jesus, for coming each year in a special way. During this month, everyone seems more loving and kind. Through prayers, help us to keep this feeling of joy all year long.*

*God has sent you to us to know, to love and to serve you.*

*If sometimes we forget, please help us.*

*Amen.*

*Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!*

### School Improvement Framework - St. Francis Xavier School Review Report

In Week 5 we welcomed Karen Thorneloe to our school. Karen was employed by Catholic Education Ballarat as an external reviewer of schools. Karen and a panel of Ballarat Diocese representatives looked over our school particularly our performance data and feedback to surveys. Using this information as well as information gleaned from interviewing different groups Karen led the School Leadership Team in setting our future directions. Please find attached a report for the school community that outlines the outcomes of the review with the goals and priorities for our next 5 year improvement cycle.

### Class and Teacher Allocation 2022

From 4.00pm this Thursday 25<sup>th</sup> November 2021 parents are able to access their Parent Access Module (PAM) account to view their child's 2022 class allocation.

I ask you to be positive with your children regarding the class groupings they are in. I understand that change is sometimes difficult but in reality, it is the only thing that we can be certain of and it is important for our children to welcome change in their lives for their own growth.

### Foundation Information Evening

This Thursday 25<sup>th</sup> November we will hold our Foundation Information Evening for the parents of our 2022 Foundation children. The meeting will take place in the school's Gymnasium at 7:00pm.

### Orientation Day

On Tuesday 30<sup>th</sup> November we will hold Orientation Day when our new Foundation children come to our school and our Year 6's move on to their new school.

**Year 6 Transition Day for children attending Damascus College, St. Patrick's College and Loreto College in 2022 is on Tuesday 30<sup>th</sup> November 2021. (As per information from the colleges).**

We will also be promoting all the other children into their new classrooms with their new class teachers. This day provides a great opportunity for your child to familiarise themselves with their new classmates and class teacher.

### Spirit of Catherine McAuley Award – nominations called for.

The Spirit of Catherine McAuley Award is designed to celebrate the outstanding achievement and contribution to St. Francis Xavier of staff, parents and volunteers working in a diverse range of endeavours at St. Francis Xavier. The purpose is to acknowledge unwavering commitment to our school and the extraordinary outcomes that can be achieved through such commitment.

Endorsed by the St. Francis Xavier School Board this Award provides a mechanism to recognise those whose efforts are beyond the already high standards of education and care delivered by those involved at St. Francis Xavier. Through such commitment, these people will have made a difference in the lives and/or learning of children or others with whom they come into contact as they carry out their responsibilities in our school community. The varied roles through which an exceptional contribution within St. Francis Xavier takes place provide the basis for the Spirit of **Catherine McAuley Award**.

*Called to action through Gospel values and Mercy tradition we will enrich thinking, expand horizons and pursue excellence!*

### Out of School Home Care Transport (OSHC) 2022

The OSHC team at the Y are currently seeking information from families who wish to continue or commence to access bus travel for their child/ren to attend Afterschool Care in 2022.

The Program Co-Ordinator at the Y is asking our school to contact families, with the article attached, and ask them to let the school know the name of the family, number of children and the days of care that is needed. Families will need to contact the school by Friday 4th December 2021.

It is important that the school receives this data as it is needed to continue the service, if we get no response then the service will cease in 2022.

The School will be notified by the 11<sup>th</sup> December if transport will be available for 2022. Please do not hesitate to contact me should you have any queries or concerns or wish to discuss this matter further.

## OUR LORD JESUS CHRIST, KING OF THE UNIVERSE YEAR B

### Gospel

Jn 18:33-37

A reading from the holy Gospel according to John

*You say that I am a king.*

*'Are you the king of the Jews?' Pilate asked. Jesus replied, 'Do you ask this of your own accord, or have others spoken to you about me?' Pilate answered, 'Am I a Jew? It is your own people and the chief priests who have handed you over to me: what have you done?' Jesus replied, 'Mine is not a kingdom of this world; if my kingdom were of this world, my men would have fought to prevent my being surrendered to the Jews. But my kingdom is not of this kind.' 'So you are a king then?' said Pilate. 'It is you who say it' answered Jesus. 'Yes, I am a king. I was born for this, I came into the world for this: to bear witness to the truth; and all who are on the side of truth listen to my voice.'*

### The Gospel of the Lord

## REFLECTION by Greg Sunter

This week marks the end of the liturgical year. Next week, with the first week of Advent, we begin the new liturgical cycle. It is fitting that the Church concludes the liturgical year with the celebration of Christ the King. The conversation between Jesus and Pilate displays a lot of word play on the part of Jesus and quite a lot of confusion on the part of Pilate. The confusion stems from different perceptions of what it means to be a king. For Pilate, part of the most powerful political and military rule in the ancient world, the idea of a king was a threat. Claiming kingship was claiming authority and power that would inevitably lead to challenging the authority and power of Rome and, more directly, its representative in Palestine – Pilate. Jesus, of course, had a completely different idea about ushering in a kingdom. He does indeed declare that he is a king and that is what leads us to today's feast of Christ the King. However, his intention is not to claim a position of power and authority. When we think back to Jesus' teachings about the kingdom of God, we recall that he declares the people of highest status – the first – in the kingdom to be the lowliest of this world. It is the poor, the sick, the outcast, the children and the widows who will hold the highest places in the kingdom of God. In a kingdom like that, what does it mean to declare oneself king? The confusion about what it means to be a king that is captured in this interaction between Jesus and Pilate is the same confusion that we saw among the disciples as they came to terms with exactly what it means to be the Messiah.

#### Gospel Focus – Truth

Jesus says to Pilate that he came into the world 'to bear witness to the truth; and all who are on the side of truth listen to my voice.' That is where today's gospel passage finishes but as the gospel continues on, Pilate famously asks Jesus 'What is truth?' and the question is left dangling; unanswered. The truth Jesus has borne witness to is the truth of his whole life – the revelation of God's love for humanity. It is for proclaiming this truth that Jesus is placed on trial and is brought before Pilate.

#### Historical Context – Christ the King

Unfortunately, political and military images of kingship have played a dominating role in the Church since very early in its history. The very earliest Christians, or followers of the Way, did not conform to social and political hierarchies of their day. But when Emperor Constantine declared Christianity to be the official religion of the Roman Empire the structure of the Church quickly adopted the political and social structures of the empire. At times in history the Pope has adopted a regal status and led huge armies into battle. Many of these structures persist today and we sometimes struggle to recapture Jesus' intention when he declared himself a king.

#### Have you thought? The Kingdom of God

When Jesus speaks about the Kingdom of God he never gives a particularly clear picture of what he means. He usually refers to the kingdom with metaphoric language ('the kingdom of God is like ...') and often the kingdom is defined by what it is not. The kingdom is also a real contradiction: it is here and now and yet it is still to come; it is almost impossible for some to enter

the kingdom while others are assured a place; it is within us and in our hearts and yet is a great banquet to which all are invited.

**A beginning point for discussion of this week's Gospel with children:**

- Q. Why do you think Pilate questioned Jesus the way he did?
- Q. To what 'truth' did Jesus come into the world to bear witness?
- Q. How are we called to continue to bear witness to this truth?
- Q. Have you ever felt challenged about what you believe?
- Q. Do you find 'Christ the King' a helpful or significant image of Jesus?

### Curriculum News

#### **Scaffolding Literacy**

This week our Level leaders had the opportunity to attend an in-service through the CEOB with Misty Adoniou on Scaffolding Literacy. The leaders will take their newly gained information and share this with their levels as we continue on with our skills and understandings of the Scaffolding literacy process. Day 2 of this in-service will occur early in Term 1 2022, which we are looking forward to attending.

Scaffolding literacy involves getting children involved in joint reading, writing, spelling and language development with the assistance of their teacher. Teachers and students work together through modelled shared and guided strategies to complete a reading/writing task. Students are stretched to understand the new information being taught while the teacher assists students along the way until they are able to complete individual tasks.

PAT testing is in full swing and children are doing a great job with these. I once again thank the classroom teachers for their support and implementation of these important progressive assessment tasks.

I hope everyone has a terrific week.

#### **Parental Guidance**

Many of you may be watching or have heard of the TV show Parental Guidance, hosted by Ally Langdon and Australian parenting expert Dr Justin Coulson.

The premise is that ten sets of parents (with very different and often conflicting parenting styles) model their parenting methods. I've not watched the show, however I like the way that it's getting people discussing raising children, sharing the many joys and challenges we all face.

None of us are the perfect parents 100% of the time, but by having honest conversations and reflecting on our parenting we can all make positive changes. We need to educate and empower families to be the best they can be. In the attached article, Justin Coulson discusses yelling at children and some alternatives you may like to try for more harmony at home!

## **Talk-And-Walk-A-Thon!**

Wow! Last Friday our children had a fabulous time connecting with their buddies and peers during our Peer Support Australia's Talk-And-Walk-A -Thon.

Social connection is vital to our mental health so we were delighted to get out of the classroom, into the fresh air and to see all the sharing, excitement and laughter. We had prompt cards and support for children who may have been feeling a little unsure of what to talk about together, however most children relaxed into the event and were soon chatting like old friends.

You might like to ask your child what they talked about or even challenge yourself to reconnect with an old friend!

Happy Days!
