## School Procedures for the Bushfire Season

The Department of Education and Training (DET) has recently advised the Catholic Education Commission of Victoria (CECV) of the revised Bushfire At-Risk Register (BARR).

As a consequence of this review, St Francis Xavier School has been listed on the 2022-23 BARR and will be required to close on days with a fire danger rating listed as Catastrophic.

The following information will help us plan and prepare our school to support the safety of staff, students and the wider community.

### Assessing bushfire and grassfire risk

Schools and early childhood education services are categorised based on their risk of bushfire and grassfire in line with the Victorian Education Facility Bushfire Risk Methodology and review this classification annually.

To inform this classification, we have used the Commonwealth Scientific and Industrial Research Organisation (CSIRO) analysis informed by the Bushfire Management Overlay, Victorian Fire Risk Register, and terrain and fuel type exposure.

### Our school's risk

Our school is rated as CAT 3. This means that St Francis Xavier Primary School:

- Must close on days forecast as 'Catastrophic' by the Bureau of Meteorology within our designated fire district.

### Australian Fire Danger Rating System

In September 2022, Australia introduced a new fire danger forecasting system, the Australian Fire Danger Rating System (AFDRS). A nationally consistent system will more accurately predict fire danger and produce clear, simple messages for communities. Victoria has been using a 6-tier system for fire danger ratings, from 'Low' or 'Moderate' to 'Code Red'. The AFDRS will replace the Victorian system this year and uses 4 tiers of fire danger, from 'Moderate' to 'Catastrophic'.

**Fire danger ratings describe the potential level of danger should a bushfire start.**

**They are important because they provide people with information so that they can take action to protect themselves and others from the potentially dangerous impacts of bushfires.**

From September 1, Australians will have a simplified, action-oriented Fire Danger Rating System.

- The AFDRS will also introduce 'off' for those days where no proactive action is required by the community. On these days, you will still need to abide by local seasonal laws and regulations, but there is little or no risk of a fire that starts spreading in a dangerous or life-threatening way.
- The AFDRS is informed by one of Australia's largest social research projects which found that most Australians do not understand the current system, and would prefer a simpler, action-oriented set of fire danger ratings.
- The AFDRS is being implemented consistently across Australia and will mean that wherever you are across the country, you will be able to understand the threat posed on any given day and make appropriate decisions to keep you and your family safe.

### What can parents do?

Make sure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://www.sfxballarat.catholic.edu.au/>, and by talking to your child's teacher or any other member of the teaching staff.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan. You can access more information about school closures on the Catholic Education Commission of Victoria Ltd (CECV) website <[www.cecv.catholic.edu.au](http://www.cecv.catholic.edu.au)>.

For up-to-date information on this year's fire season, visit the CFA website at <[www.cfa.vic.gov.au](http://www.cfa.vic.gov.au)> or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.

Congratulations and our best wishes go to Bec Conroy who has accepted a teaching position at St. Brigid's Ballan commencing 2023. Bec has done an absolutely unbelievable job over many years at St. Francis Xavier in the classroom and in leadership positions. I know that you will join me and congratulate Bec on her new appointment.

### School Disco Reminder: This Thursday night

Class Groupings 2023 We hope to inform you by the end of November of your child's class and teacher for 2022. Teachers are putting their final touches onto these class lists. I thank the staff for the time they put into this process. To assist with managing enrolments for 2023 I ask that any families who already know they will not be returning to St. Francis Xavier to please contact the school office. This allows us to contact families waiting for places as well as assisting with class lists and planning. Many thanks.

Camps Children and staff in Years 4 and 5 are looking forward to their upcoming camps. Thank you to those involved with all the preparation and planning which goes into these to make them so successful.

Our school excursion program offers our children a great opportunity to experience settings and situations that they may not normally experience. Participating in camps allows the children to build on their self-esteem and interact with other children and adults in unfamiliar surrounds. **Year 5 Camp Week 8** **Year 4 Camp Week 11**

#### THIS WEEK'S GOSPEL- Sunday October 2, 2022 Thirtieth Sunday in Ordinary Time (Year C)

**Gospel:** Luke 18:9-14 Jesus also told this parable to people who were sure of their own goodness and despised everybody else. "Once there were two men who went up to the Temple to pray: one was a Pharisee, the other a tax collector. The Pharisee stood apart by himself and prayed, 'I thank you, God, that I am not greedy, dishonest, or an adulterer, like everybody else. I thank you that I am not like that tax collector over there. I fast two days a week, and I give you a tenth of all my income.'

But the tax collector stood at a distance and would not even raise his face to heaven, but beat on his breast and said, 'God, have pity on me, a sinner!' I tell you," said Jesus, "the tax collector, and not the Pharisee, was in the right with God when he went home. For those who make themselves great will be humbled, and those who humble themselves will be made great." *(Gospel passage taken from Good News Translation®)*

**Gospel reflection:** The two men behaved very differently in the temple.

The Pharisee is full of pride- he thinks he's done everything right, that God must love him very much and that he's better than other people.

The tax collector is humble and ashamed- he knows he has done wrong and he knows that only God could give him the forgiveness and mercy he needed.

No matter who we are, where we come from, the colour of our skin, whether we are rich or poor, tall or short, we are special in God's eyes. God loves us all very much.

**Our Challenge:** This week try not to judge others just because they are different to you. Try to treat all people you meet with kindness and respect. *(adapted from the CAFOD website)*

**Free Dress Day this Friday!** October is Mission Month and we are raising funds for Socktober on behalf of Catholic Mission. Catholic Mission creates opportunities for people to be formed in mission, and respond through prayer, fundraising and action, inspiring them to reach out, and give life—within Australia and around the world.

This year we are fundraising for food security in Ethiopia- some of our money will help to set up a goat farm in the town of Embidir!

Please bring along a gold coin or two! All of us at St Francis Xavier engage in mission when we proclaim our faith through our words, actions and lives.

### Wellbeing News

Relatively small issues, like not being invited to play at someone's house, can arouse big, intense feelings in our children. Because belonging is at stake, friendship challenges will always feel like a life-threatening experience – so be assured that most parents find themselves dealing with powerful tears and shattering disappointments after tricky friendship days. These feelings often intensify in the tween and teen years, as the peer group becomes a bigger influence in our child's life.

#### WEBINAR- Michelle Mitchell presents: Handling tricky friendship days

Michelle Mitchell is an award-winning speaker, and bestselling parenting author. She has been termed 'the teenage expert' by the media and is sought after for her compassionate and grounded advice for parenting tweens and teens. Please find attached her article about handling tricky friendship days and the opportunity to attend a free webinar offering a set of practical ideas to help empower our children (our school has a membership with Parenting Ideas and as a part of this membership we can attend for no cost)
